Release v4.4

Section	Feature	Details
Admin	Notifications	Notification drop downs updated to include all Care Team roles in Permissions and Users
Billing	EVV Exact Times	Payer may be marked EVV exact times: if so auto-verify will not happen unless EVV actual matches billed time exactly
Clinical	Objective Tests	Therapy re-evals will display prior standardized test results if the same test(s) performed
Clinical	Goal Baseline	Baseline of a goal may now be recorded at the time the goals is added (user doesn't have to add then re-access)
Clinical	Med Name Only	Team 'Med Name Only' will allow meds to be added without anything but med name, 485 will show 'Per MD Order'
